

5 GUYS TO NOT BE AT YOUR
FANTASY FOOTBALL DRAFT

LATE GUY

The guy that is always late to the draft and delays its start by at least 45 minutes. It's not like we've been waiting since last year to do this.

BIG MOUTH GUY

The guy that talks about players that haven't yet been drafted. Never break the unwritten code of silence. The mafia has nothing on draft etiquette.

FAN BOY GUY

The guy that's the "homer". Dress in your NFL team's gear head to toe, name your fantasy team as a tribute to that team, and draft half your team from that NFL team. These teams usually aren't very good.

DRUNK GUY

The guy that drinks too much and asks if Peyton Manning is still available in the 10th round.

GIRLFRIEND GUY

The guy that brings his lady because he thinks she will think it's "awesome".

NEWS FLASH! She will think you're an idiot. She will think everybody there is an idiot and of course we are. We play a game that is Dungeons & Dragons for football fans. Pretty pathetic if you ask me.

So many rules. What's a guy to do? In the end it's a game. It's supposed to be fun.

GOOD LUCK!
